Hawkinge Hurricanes 5K and 10K Challenge took place on a very wet, windy and foggy Sunday but high spirits and storming results made for a great morning. Huge thanks go out to all our super marshals and cycle support teams – without everyone’s continued support these fun events just can’t move forward ☺.

We were honoured by **Kevin Daly** the awesome **Sport Ferret** for his compere skills and supporting our club with his time, tunes and continued enthusiasm for local sport.

We were joined by some speedy Functional Fitness athletes and Pro Boxing duo Josh Kennedy and Barry Pluck – hope they enjoyed our Hawkinge Hills.

Pro photographer was on the course (**Kim Burton Photography**) she braved the weather to the end to get those amazing action shots. Pictures can be purchased from Kim at kimburtontphotography@outlook.com

Marvellous Marshals ☺
