

# December 2020 Newsletter

## challenge

*Week commencing 21<sup>st</sup> December at both sites will be free to all athletes as our little Christmas Gift to you. The HHRC Team would like to wish everyone a wonderful and happy Christmas and NY*

### Prize draw

Each athlete who has taken part in the weekly challenges during Lockdown#2 will be entered into a prize draw to win your choice of a bottle of bubbly or a box of chocolates.

It has been great to see so many athletes and their families joining the weekly fitness shenanigans and love the positivity on social media supporting others 😊

### Club Membership – important information 4 all

With our club numbers growing over two awesome sites I'm sure you can imagine that administration is a time-consuming process. To refine this process and allow athletes early notification of club fees due we have introduced an invoice system.

When membership or fees are due an automatic invoice will be emailed out to athletes. This invoice will have due date for payment. If no payment is received and/or no contact made with [Sam@hawkingehurricanes.com](mailto:Sam@hawkingehurricanes.com) with questions or concerns athletes will be removed from mailing lists and social media pages and will not be permitted to training at club sessions without ACTIVE membership. Membership is important for your own safety and club insurance. 2020 has been hard for many and HHRC are here to help if you are in financial difficulty contact Sam on above email or Jacqui (welfare Officer) [jacqtraynor@gmail.com](mailto:jacqtraynor@gmail.com) Each case will be dealt with in confidence and on case by case basis

# Club Schedules

Don't forget as a Hawkinge Hurricanes Member you are more than welcome at any session at any site!  
All sessions are £3.00.

20<sup>th</sup> November 2020

Dear Sam,

I wanted to reach out and thank you for organising a running club fundraising challenge in our aid.

We are very grateful for your support which will enable us to continue investing in blood cancer research. These are uncertain times for us all and our blood cancer community need our support now, more than ever, so thank you for all that you are doing – it is making a huge difference.

Thank you again for everything that you do, we wouldn't be where we are today without your incredible support, please do extend my thanks to the rest of the group also.

If you would like to receive a postal copy of this thank you letter, please let me know and I will mail one to you.

With very best wishes,

Lydia
