Cardiomyopathy^{UK}
the heart muscle charity

What a brilliant evening we all had on Tuesday 20th June. Hot, sunny conditions welcomed our athletes and guests to Sandgate for some amazing times and efforts. I was super proud of the dedication and team work everyone played in making it such a fun, social and most importantly charity filled event.

We raised a whopping £200 for Cardiomyopathy and this has been paid into Chris Morleys Just Giving page. Our event supporting Chris was his 171st run out of 365 (he is even running on his wedding day later in the year). Our donation pushed funds over Chris's original target.

Thanks go to Chris & Kelly for joining us, all our club volunteers who helped make the race possible including Sarah, Marie (Pacer), Elizabeth (Pacer), Karen (Tail Runner), David (Turn point marshal) and Alison) morale and administration 😊

£200 raised 😊
