

## Clean Club Commitment Statement

Everyone has a duty to protect clean athletics and Hawkinge Hurricanes Running Club recognises our role in developing, nurturing and reinforcing a culture of clean athletics.

Hawkinge Hurricanes Running Club agrees with the UK Athletics and UK Anti-Doping (UKAD) position that cheating, including doping, in sport is fundamentally contrary to the spirit of sport, undermining the otherwise positive impact of sport on society.

To protect the reputation of Hawkinge Hurricanes and running, we commit to support clean athletics in the following ways:

- Hawkinge Hurricanes Running Club is committed to encouraging fair play, ethical decision making and healthy behaviour in all athlete/participant members
- All athlete/participant members will conduct themselves in line with the spirit of sport and the anti-doping rules
- Volunteers and any associated staff will not condone, assist or in any way support doping behaviour
- All members must abide by all Hawkinge Hurricanes Running Club policies and procedures and any breaches of these will be acted upon accordingly
- Hawkinge Hurricanes Running Club recognises the importance of establishing a culture of 'speaking out' and encourages club members to do so either to a member of our club, directly to UKAD ([intelligence@ukad.org.uk](mailto:intelligence@ukad.org.uk)) or using the confidential Report Doping in Sport service (08000 32 23 32 or [www.reportdoping.com](http://www.reportdoping.com))
- Hawkinge Hurricanes Running Club will uphold any sanctions placed upon an athlete or athlete support personnel by UKAD or other associated body in accordance with the World Anti-Doping Code
- Hawkinge Hurricanes Running Club will pass on any further anti-doping information that is received from UK Athletics or UKAD that is relevant to our members
- Providing opportunities for our members to enhance their anti-doping knowledge and their ability to protect the integrity of Hawkinge Hurricanes Running Club and clean athletics
